Epiphany's Stewardship Campaign

Welcome to our Plenty Good Room season of stewardship!

Our parish is a place of belonging — a community where each person matters, and each gift is part of God's larger purpose. – Jan Bolp of Trinity

BUDGETING

The Operating Budget varies from year to year depending on income and needs.

INCOME - Where does the money come from?

EXPENSES - Where does the money go?

WHAT IS STEWARDSHIP GIVING?

Stewardship is a gift of our time, talent, and treasure for building up God's Kingdom here on earth. Stewardship is a way of life in response to God's love for us. It is a way of life in which we love God with our minds, actions, and the people and places we live and do, gifts from the God who created us.

Stewardship is more than just giving. It encompasses the entire concept of accepting the responsibility of caring for the gifts that God has given us. If you attend regularly, you are a steward of this church. If you are a member of this church, you are a steward of this church. If you are a steward of this church, you have a responsibility to help it grow and to help it carry out its purpose and work. So that difficulty points to the importance of stewardship. Stewardship is the way we express our thanks to God for the gifts he has given us.

Give the Gift of Preparedness

We are entering an active hurricane season in the Caribbean and in Mexico. Hopefully, there might have, we are in an El Nino year and are going to see extreme weather patterns in the next 6 months.

The diversery is working with a group of volunteers - the Venice Country Climate Change Task Force and Emergency Preparedness Team - to provide emergency preparedness early December to families in need in areas most susceptible to local weather disasters. We are still looking for helping families to understand what possibly may happen and how they can best be prepared.

Your participation is helping supply: **canned food, can openers, AAA batteries, flashlights, solar chargers, water containers, first aid kits, personal hygiene activities**, and possibly more going through these distributions.

We will be collecting until December 5th. Please drop donations off in the collection basket in the Diocesan Office. Thank you for your generosity.
